\$42,000,000, it naturally follows that it is simple justice that the board."

CHAIRMAN PLEVED

I'd do not think it is within the jurisdiction of Mr. Jewell to quiz this board."

The chairman indicated that he saw power company pay in taxes to the public treasuries of Utah and Idaho on the same amount of valuation, namely \$9,000,000 in the buttal statement.

The chairman indicated that he saw no reason why the board should issue any public statement.

Chairman Barton then ruled that Wr. Jewell should proceed with his rebuttal statement.
